
Family portal terms of use

Sample text for this demonstration.

1. Who the portal is for

The portal is for the parents and guardians of the school's pupils. Each parent or guardian signs in with their own email address.

2. What you can do

See information about your children, contact staff, report absences, book appointments and sign documents.

3. Responsible use

Photos and posts shared by the school are for family use only and must not be shared outside the portal.

Demonstration document for the family portal. It has no legal value and does not refer to any real person.
