

Code of conduct

This sample document sets out how we live and learn together at school: pupils, families and staff.

1. Respect

We treat each other kindly, listen before we speak and look after shared spaces and materials.

2. Punctuality

Lessons start at 9:00. Arriving on time helps the whole class begin the day calmly.

3. Communication with families

The family portal is our usual channel: announcements, messages with staff, appointments and documents.

4. Absences

Please report absences through the portal, ideally before 9:30 on the same day.

5. Resolving conflicts

We put dialogue and mediation first. The class teacher is the first point of contact.

Appendix · Use of devices

Personal devices stay switched off during the school day unless a teacher says otherwise.

Stage	Permitted use
Early Years	No devices are brought to school.
Primary	Only in guided activities, using the school's own equipment.
